MOUNTING INSTRUCTIONS

Handcrafted in Greece

Inspired by ancient fossil stones, this triple pendant light narrates the story of cosmic existence. Spiral threads and knitted jute create an object of curiosity. Available in natural beige or black, it is handcrafted with jute giving a more earthy essence in space.

Mariza Galani, inspired by her Greek roots, creates symbolic lighting elements based on geometry and nature that guide people to experience the sense of wholeness and spiritual uplift. Her goal is to generate lightness and not just light through her creations. All of our fixtures are handcrafted in Greece. Each

piece is unique and every effort is made to ensure that the final creation will match the product specifications. Slight differences in dimensions, finishes and colors though may be expected and are considered as part of each fixture's uniqueness. All designs are protected under copyright law.
