# MOUNTING INSTRUCTIONS

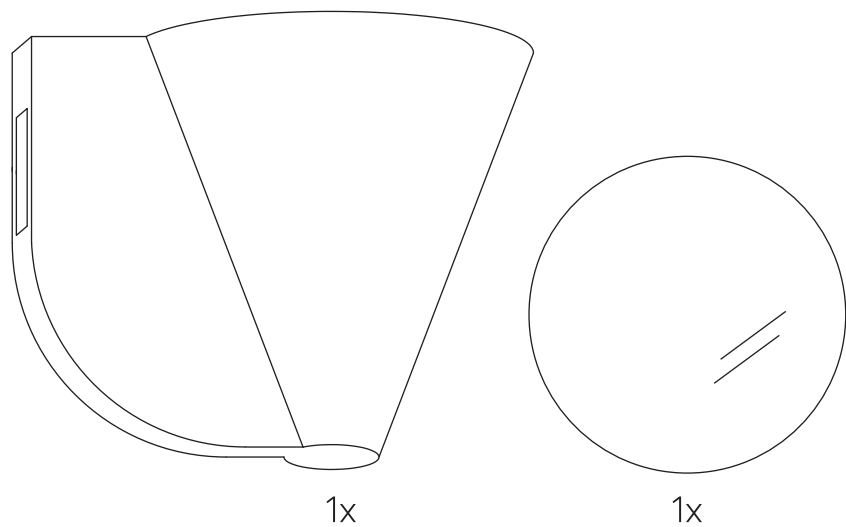

*Handcrafted in Greece*

A combination of forms create a clean-cut, unfussy outdoor wall sconce. Shy and beautiful in its simplicity sheds light in any pathway. Handcrafted of granular stoneware creating a rough texture, it is available in off-white or black color.

## 2.

Fasten the fixing bracket on the j-box cover and connect l/n ground at the clamps. Paint the j-box cover the same color as your finish wall and hang the ceramic housing on the bracket. Place an E26/E27 bulb of your choice.

## 3.

Place carefully the round glass on the luminaire.

\*Make sure you use the gloves included in the package

*Mariza Galani, inspired by her Greek roots, creates symbolic lighting elements based on geometry and nature that guide people to experience the sense of wholeness and spiritual uplift. Her goal is to generate lightness and not just light through her creations. All of our fixtures are handcrafted in Greece. Each*

*piece is unique and every effort is made to ensure that the final creation will match the product specifications. Slight differences in dimensions, finishes and colors though may be expected and are considered as part of each fixture's uniqueness. All designs are protected under copyright law.*
