MOUNTING INSTRUCTIONS

Handcrafted in Greece

A sculptural synthesis bringing continuity, flow, rhythm and balance. Every piece of this table light is unique, composed of circular and rectangular forms. The porcelain made with care becomes very thin and delicate and through its high transparency lets the light flow and brings the warmth of yellowish light. Handmade from scratch of porcelain plates and marble base.

Place each numbered porcelain component into the matching numbered slot.

metropolis *table* mounting instructions

2.

Plug the luminaire in and push the button to switch the luminaire on.

*Make sure you use the gloves included in the package

Mariza Galani, inspired by her Greek roots, creates symbolic lighting elements based on geometry and nature that guide people to experience the sense of wholeness and spiritual uplift. Her goal is to generate lightness and not just light through her creations. All of our fixtures are handcrafted in Greece. Each

piece is unique and every effort is made to ensure that the final creation will match the product specifications. Slight differences in dimensions, finishes and colors though may be expected and are considered as part of each fixture's uniqueness. All designs are protected under copyright law.
