# MOUNTING INSTRUCTIONS

*Handcrafted in Greece*

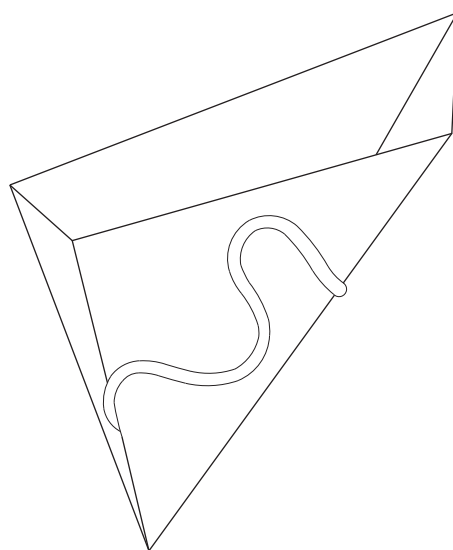

This marble indirect wall light blends with a metal organic ornament that coils the luminaire and raises up towards light. It connotes the serpent, thus gives tribute to the predominant symbol of healing.

It is handcrafted from silver travertine mixed with nickel mat. Therapeutic sconce can be customized by choosing the marble and also the finish of the snake. Nickel brassed, brass mat and brass oxidized making every piece one-of-a-kind.
